

The Hungarian State Treasury reserves the right to change the opening hours of the government securities distribution customer services, which it will publish in advance in all cases. Depending on the customer traffic, the allocation of serial numbers at the government securities distributor's customer services may be suspended before the end of the opening hours. In this case, customers who already have a queue number are served during the remaining customer reception time.

Client orders can be submitted on paper in person in writing for the given value date at the government securities distributor's customer services during the above opening hours, for HUF-based and foreign currency-based government securities, from Monday to Thursday at 3:30 p.m., on Fridays at 1:30 p.m., and due to public holidays on rescheduled working days, our customers can submit it half an hour before the end of the opening hours published in the Treasury announcement! The change of value day is from Monday to Thursday at 4:00 p.m., on Friday at 2:00 p.m., and on working days moved due to public holidays at 12:00 p.m. You can cover your investment at the Sales Points only by using a cashless payment method - by bank transfer or bank card. It is not possible to carry out a transaction at single-person Sales points. For exact information, contact the relevant customer service.
